THIRD-PARTY TRADING ADVISOR CHECKLIST	
Foreign currency trading advisory is prone to false advertising and misleading information. Washington Prime Plus Inc. ("Washington Prime Plus") cannot require a customer to do any "due diligence" on a third-party trading advisor ("Agent") prior to entering into an agreement with such Agent. However, Washington Prime Plus encourages Customers to take such measures, and asks that Customers acknowledge that they have read and, at the minimum, considered taking the following recommended steps before entering into any agreement with an Agent.	
1. Have the Agent provide you with a disclosure document that, at the minimum, provides: the Agent's biography, outlines the investment methodology, discloses the fees charged by the Agent, and discloses the risks associated with the investment methodology;	
2. Check with authorities, or other investment-related regulatory bodies to ensure the Agent has never been denied registration, nor that he has any disciplinary history (please contact Washington Prime Plus if you need assistance with such a background check);	
3. Ask the Agent to provide you with references from existing clients;	
4. Have your attorney or accountant verify the accuracy of any performance record provided to you by the Agent, and review any contractual agreement to be executed by and between you and the Agent.	
I, the undersigned, represent and covenant that I have read and understand this "Third-Party Advisor Checklist":
